The cross, symbolic to the crucifixion of Jesus Christ has been depicted in numerous forms that awaken spirituality in you. Let children lighten up on the importance of this historic event by completing this free and unique collection of color pages. The first printable collection depicts a cross in intricate detail. Another page held it right by roses and flanked by doves. It has a dual meaning. The rose represents god's love for humanity, and the birds represent the peace we all want to be prevalent on earth. A design with hands interconnected underneath it encourages us to pray for God the Almighty. The candle adorned the base of the pristine cross looks and encourages us to learn to repel the darkness of ignorance. Angular patterns throughout the symbol give it a mosaic-like look. This gives little hand the perfect opportunity to play with an array of colors. cross coloring pages cross coloring stations cross coloring pages coloring glass cross coloring page jesus in cross coloring page free printable cross coloring pages free cross coloring pages cross coloring pages cross learn how to pray cross stations on usccb coloring page.
